Sirs The original files containing the Govt orders sanctioning the several temporary establishments are put up with reference to Para 3 supra

WHB 1/3 To the Requisition sent on 28th 1941, the Rot has given his reply on 16 2 42

Whenever Continuance of temporary Estt is asked for, all the previous G os have to be quoted for reference by Govt stating how, the Correspondence with Govt should not be according to rules Secondly, the temporary Estt, barring some type or them as the PWD, are sanctioned usually for a given purpose When that purpose Ceases, the Estt should also Cease When however the purpose Continues, the authority recommending Continuance has to examine the position the Volume of work done, upto Estt has done its duty properly, the Volume left over and furnish a brief Report to Govt indicating at the same time the probable Period within which

the balance of work is expected to be completed

May the POR be asked to state if such an examination has been done in respect of all these establishments, & if so, to send a brief report?

11 It would have been better if the President had furnished information in detail on the above points But eight months in the 1941 year (1941-42) are already over and the temporary establishments have to be continued for the current year Provision has been made in the Budget of the Cy Mlty for these establishments during the year 1941-42

It is therefore for orders if the establishments may not be continued during the year 1941-42, the President being requested to examine the position and send up a report in detail when asking for their continuance during the next year 1942-43
